General Information

TIME — The show will start promptly at 9:00 a.m., Saturday, November 11, 1967. The sale will start promptly at 12:00 noon, Saturday, November 11, 1967.

LOCATION — Tennessee National Sale will be held Saturday, November 11, 1967, at the Ellington Agricultural Center, Nashville, Tenn.

LUNCH — Will be available sale day.

SALE HEADQUARTERS — The Biltmore Motel, 2400 Franklin Rd., US 31 South, Nashville, Tenn. Make your reservations direct to them or contact the sale manager and he will be happy to do it for you.

TRANSPORTATION — Nashville is located in an area that is convenient to both North, South, East and West. It is served by major airlines and several railroads, in addition to a network of Interstate highways.

TERMS — Terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance with the consignor from whom you purchase. Be sure to give the clerk complete information on transferring pedigrees and shipment of cattle. All stock will be at the buyer's risk as soon as bid off although naturally every precaution for the safety and well being of the animals will be exercised.

INSURANCE — Will be available at the sale.

HEALTH — All cattle will be sold according to the health laws of Tennessee. Interstate health charts will be provided but all buyers should make themselves aware of any deviations from Tennessee law that might apply to entry to their states. All cattle will have a test for brucellosis within 30 days of the sale unless they are officially calfhood vaccinated and under 30 months of age or unless they come from a brucellosis certified herd. All cattle will have passed a test for tuberculosis within 30 days of the sale unless they come from a federally accredited herd.

GUARANTEE — The cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n. Where footnotes appear they were furnished by the consignor or written from information supplied by him. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager, the auctioneer, nor the clerks of the sale assume any liability of any kind. The sale manager was retained for specific promotional and clerical tasks and assumes no liability for fulfillment of guarantees, errors in health charts, condition of the premises or handling of the cattle. Announcements made on sale day shall supersede any written material.

LIABILITY — All persons attend this sale at their own risk. No one connected with this sale as an employee, consignor, supplier of any goods or services accept any liability for accidents that may occur. Every effort will be made to provide for the safety and comfort of those attending.

AUCTIONEER — Don Smock, Whiteland, Ind.

REPRESENTATIVES — C. D. Swaffar, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.

ROYAL TARTAN GUARDSMAN — By the \$25,000 Bapton Gaurdsman and a very successful show bull in his own right. He has been near the top of his class at three strong state fairs this past summer and is a half brother to Royal Tartan King, grand champion of the 1967 Indiana state fair, reserve grand champion of the Illinois and Iowa state fairs, and the grand champion of the 1966 American Royal. Royal Tartan Guardsman is a big, smooth, sound bull and we have confidence in his ability as a sire.

Lynnwood Bolster x, one of the greatest breeding bulls to see service in the South. His sons have been champions and topped almost every sale in the Southeast. He sired the grand champion bull of this sale a year ago and Charles Hix, Cowan Tenn. returns with another son which sells as Lot 11.

S V's AMBITIOUS x — Weight September 25, 1,480 pounds. Lifetime daily gain 2.12 pounds. Ambition is an extremely smooth, well-balanced bull. He is very correct on his feet and legs and has good bone. His dam is one of the very best cows at Sewanee Valley. His sire needs no introduction! We would recommend this bull as highly as any we have produced. Herd Federally Accredited.

No stronger offering of cattle will sell this fall than is offered in the Tennessee National sale. Leading breeders from throughout the continent have consigned their very best in an effort to win the outstanding premiums offered. The bulls and females selling are capable of going into the strongest herds, forming a strong foundation for the new breeder, or the smaller breeder wishing to expand his operation.

NAPOLEON ROYAL KING — Junior champion of the 1967 Ohio state fair. A very promising young bull with the earmarks of a sire. You'll like his balance and symmetry along with his excellent muscling. His mother was a \$1,000 heifer in a former Leveledale sale when she was purchased from Arnold and Brooks. One of her daughters produced a champion bull in the Mich-O-Anna sale. Gallant Napoleon has been doing an excellent job for us and has consistently produced modern, heavily muscled cattle. The top bull in the 1966 Best of Mid-West sale was by him and this year he has sired several first and second place winners at the Ohio state fair. Herd accredited for TB and certified for Bangs.

NAPOLEON BIG BOY — A calf with plenty of size and has made it without the aid of a nurse cow. His mother is a big, thick, red cow who is out of the same cow that produced a former champion at the Ohio state fair. Many picked this calf as our top spring yearling. He was third at Ohio and the two above him were junior and reserve junior champion, the junior champion being his half-brother. If you want to "Beef Up" your cattle better come take a look at this fellow. He is bred to do the job. Remember the top bull at the Best of Midwest sale last year was a $\frac{3}{4}$ brother. Herd TB accredited and Bang's certified.

The grand champion bull and female of the 1965 Best of Midwest sale were shown and sold by George McLachlan & Son, Evart, Mich. They are consigning two head to this sale, which includes Lot 28.

LAKE SIDE RODNEY — Born a husky, heavy-boned calf Rodney has developed into a deep, thick-muscled yearling, with a strong burly head that denotes the strength looked for in a stock bull. He walks on near perfect feet, plenty of bone. Developed in a roomy lot with a group of bulls, Rodney is ready for heavy service. His dam is one of our favored Louada Broadsword daughters that are proving real top brood females. We have never sold one we had more confidence in.

ARROWHEAD NUCLEUS — The undefeated summer yearling of 1967 including the Illinois and Indiana state fairs. He was the grand champion Gold Medal Polled Shorthorn bull of the Indiana state fair and reserve junior champion of the open show. He is the result of our program here at Arrowhead of mating Louada Nugget to deeply polled females and the result has been most satisfactory. Nucleus weighed 1,000 pounds at one year and eight days of age. His tremendous quarter, heavy bone and stock bull head mark him as a breeding bull. We have been using him liberally in our herd and wish to retain a one-third semen interest. If the buyer wishes, we would also reserve the right to show him at the International Livestock Exposition in Chicago.

NAPOLEON HILDA — Is definitely the kind of heifer we should be keeping in the herd. She was first prize summer yearling at this year's Ohio state fair even though she was very young for her class. She has good bone, a great head along with the length of body demanded in modern day beef cattle. Few heifers will be backed by three better cows and then her sire, Gallant Napoleon, has been doing a bang-up job. His get at Ohio this year won three blues, two seconds, one third along with a junior championship plus a second place junior get. Much could be written about this Hilda family and this is why we feel she could be an asset to many cow herds. Calfhood vaccinated. Herd TB accredited and Bang's certified.

The greatest consignment sale of Shorthorns and
Polled Shorthorns to be held anywhere this year.
Don't miss this opportunity to select the animals
you need to strengthen your herd from this out-
standing collection of breeding cattle.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
